Note: pack 1 pc. All cylinders can be supplied with construction keys or "Vario" system (system not available for C43 and C44). See section "MASTER KEY SYSTEMS" - pag. 35.
The first two numerals in the article code after the letter indicate the external size of the cylinder (dimension B in drawing)
e.g.: in article code C..F4651..., 46 is the external size, 51 is the internal size
